Remarks

From the moment you walk through the door - this home feels comfortable, welcoming and ready to enjoy. Fresh interior & exterior paint, vaulted ceilings and plenty of natural light give the home a bright, open feel - while the large rooms offer space to settle in and make it your own. The updated kitchen is both beautiful & functional with updated cabinets, recessed lighting, a gas range and a dining area for everyday meals or gathering with family and friends. The spacious primary suite offers a relaxing place to unwind with a dual vanity, soaking tub and private water closet. Step outside to an extended patio with a rustic pergola overlooking a beautiful, low maintenance backyard with pavers and a concrete pad ready for a firepit, outdoor seating or whatever you have in mind... With no HOA and thoughtful updates throughout, this home is truly move in ready.
